Dear Friends, Pleasant
to thank you ever
so much for that
marmalade. More
sent me. I
I am saving it
to eat this winter
and if it is half
as good as the other
I shall enjoy it
very much. We are all recovering from the after
effects of our vacation and
beginning to get
cibel again.
Ruth is happy as can
be, and behaves better
than we do. Hope you
are well. Minnie Van Duzee
